No. 25,9---4/51 dated 25---7---1951.

Sir,

Sub: GOVERNMENT SILK FILATURES - Government Silk Filature, Kollegal
Creation of a depreciation reserve fund - revised orders -
requesting.

Ref: Government Memo No. 4251 D/51-5 Development dated 10---5---51.

In G.O.No.13. 2885 Development dated 25---7---1950 Government have directed that a Depreciation Reserve Fund for the Government Silk Filature be created with effect from the year 1951--52. The Accountant General however credited a sum of Rs. 40,800/- to the Depreciation Reserve of the Government Silk Filature during the year 1949-50. Again as suggested by him in his letter No. T.10.B.Coml/867 of June, 1951 Government were addressed to sanction the provision of Rs. 70,000/- towards depreciation, which was previously resumed and held in a reserve by Government. Accordingly Government sanctioned in G.O. No. 326 Development dated 31---3---1951, a modified appropriation of Rs. 1,80,700/- under "43. Industries - F. Government Silk Filatures - G. Other charges" - which included Rs. 70,000/- towards depreciation for 1950-51. Besides this a sum of Rs. 17,800/- has also been sanctioned by me by reappropriation for the adjustment of depreciation for 1948-49 and the Accountant General has been requested to adjust the total provision of Rs. 87,800/- made in 1950-51 without allowing it to lapse. It will thus be seen that the Depreciation Reserve for the Government Silk Filature has already been created from 1949-50 itself, with the adjustment of Rs. 40,800/- to the fund by the Accountant General. I therefore request that Government may be pleased to issue necessary revised orders in modification of G.O.No. 2885 Development dated 25---7---1950, sanctioning the creation of Depreciation Reserve Fund for Government Silk Filature with effect from 1949-50.

Sub:- Industries - Sericulture - Creation of a depreciation Reserve fund for the Government Silk Filatures, Kollegal.

Ref:- G.O. 2885 Development dated 25-7-50.

In G.O. quoted above, Government have instructed the Director of Industries and Commerce to surrender the provision of Rs.70,000/- made in the budget for 1950-51 on account of depreciation charges for the filatures, for the reason that it fell short of the amount of Rs.157700 required by the Director of Industries and Commerce for credit to the Fund.

In this connection reference is invited to the sum of Rs.40,800/- ~~(provided)~~ for depreciation charges in the Revised Estimates for 1949-50 under 43 Industries and Supplies - Industries - Government Silk filatures - Other charges. The amount was also adjusted in the accounts of this office for the year 1949-50. As presumably the sum of Rs.70,000 provided for in the budget estimate for 1950-51 is for depreciation charges for the year 1950-51, ~~it~~ has also to be adjusted in the accounts for the year by credit to the Fund unless Government decide to the contrary. The amount of Rs.1,57,700 required by the Director represents the depreciation charges for the past year to end of 1947-48 charges. These charges together with the charges for the year 1948-49 may be provided for in the Budget estimates for 1951-52 if it is not possible to do it in 1950-51 itself by reappropriation or Supplemental grant.

In the circumstances the surrender of the provision of Rs.70,000/- already made in the Budget Estimate for 1950-51 may not be necessary. The orders issued by Government on the above, may kindly be communicated to this office.

From the A.G. No TX B Coml. II. 547 d. 15-10-51

Geo (Ms) 700 dated 25.2.52

In Geo (Ms) 2885 Dev. Dept. dated 25.7.50 Govt. directed that a Depreciation Reserve Fund for the Govt. Silk Filatures, Kollegal be created with effect from the year 1951-52. The A.G. however credited a sum of Rs 40,800/- to the Depreciation Reserve Fund of the Govt. Silk Filatures during the yr. 1949-50. Again as suggested by him in his letter No T.10.B.C. 867 of 17 Jan 1951 Govt. sanctioned in Geo 326 Fin d. 31.3.51 a modified appropriation of Rs 1,80,700 under "43. Industries - P. Govt. Silk Filatures - 6. Other Charges" which included Rs 70,000/- towards depreciation for 1950-51 which was previously returned and held in reserve by Govt. Besides this a sum of Rs 17,800/- has also been sanctioned by the Dite by reappropriation for the sum of Rs 7,200 the adjustment of depreciation for 1948-49 and the A.G. has been requested to adjust the total provision of Rs 87,800/- made in 1950-51 without allowing it to lapse. It is thus seen that the Depreciation Reserve Fund for the Govt. Silk Filatures, Kollegal has already been created from 1949-50 itself with the adjustment of Rs 40,800/- to the Fund by the A.G.

In the circumstances, the Govt. direct that in modification of Geo (Ms) 2885 Dev Dept d. 25.7.50, the Depreciation Reserve Fund for the Govt. Silk Filatures, Kollegal be created with effect from 1949-50.

The A.G. addressed the Govt. to sanction a provision of Rs 10,000 towards depreciation which was previously returned and held in reserve by Govt. in reserve.
